PATRON OF THE

Arts

2012 - 2013

David Posnack JCC
PATRON OF THE
Arts
 2012 - 2013

**An exciting year is ahead for
 cultural arts at the
 David Posnack Jewish Community Center.**

We hope you will join us this year to enjoy the many special events that we are planning to commemorate this milestone year for cultural arts. We are in the 25th year of our Jewish Book Festival, the 13th year of our Jewish Film Festival and the inaugural year of our Jewish Music Festival. These three festivals promise to offer entertaining, educational and inspiring programs for audiences ranging from children to seniors. We will also continue to celebrate our Jewish heritage through theater, the fine arts and study by presenting a variety of other events during 2012-2013.

The Patron of the Arts program was created to ensure the continuity and quality of our cultural arts programming. Your gift will help us strengthen our community through the arts, culture and education, not only for today, but also for future generations. If you have been a Patron in the past, we thank you and encourage you to increase your level of support. To those who may be learning about the program for the first time, we hope you will consider joining us in this important fundraising effort.

We are grateful for your support and invite you to experience this exciting celebration throughout the year.
