FROM THE PRESIDENT

I hope that everyone had a safe and wonderful holiday season! I think the old saying is very true – time really does go by quickly when you are having fun. It is hard to believe, but I am completing my second year as president of the DPJCC. As I look back on what we have accomplished together – the board, staff and our members, I am very proud of where this organization stands. We have made great strides on improving our programs and facilities, strengthening our community relationships and ensuring our financial sustainability. This past year, we celebrated the 30th anniversary of the David Posnack JCC, and I believe we have set the stage for the next 30 years as well.

For my family the DPJCC has been about creating leadership opportunities. Anne served on the board for many years and was president from 2006 to 2008. Our sons, David and Eric, have taken on leadership positions within Camp Kadima and have learned the importance of giving back to our community with their time and commitment. I have enjoyed the time I have served in this role and look forward to serving the DPJCC and our community for many years to come.

I encourage all of our members to become involved with this great organization. You may become involved through our “fund” and “fun” raising projects and our various committees, including Camp, Gala, Poker, Book and Film Festivals, Community Action, etc. It’s a terrific way to give back to the community and develop your own leadership opportunities. If you have questions about getting involved or ideas as to how we can make the JCC better, please drop me a line at jsopshin@aol.com or on Facebook.

Finally, I’d like to take a moment to thank the Board of Directors for their dedication to the DPJCC and their continuing commitment to serving our community. I would like to recognize the outstanding DPJCC staff, who work tirelessly to make our JCC a pillar in our community and a place to call home for so many people.

Jeff Sopshin

FROM THE EXECUTIVE DIRECTOR

Although the center is growing and changing, it continues to offer each member a positive experience every time they enter the J. During the past several months, we have raised significant dollars to fund projects at the center, which will enhance our programs and make us a center of excellence.

The following projects have been or will be completed during the next six months:

- The Orlove Auditorium will be renovated with new carpet and chairs. Our auditorium is available for rental and is a great place to have a party or event.
- The Singer Early Childhood Learning Center will add an iPad center for our pre-k program. We are proud of our continuous role as leaders in preschool education.
- Our Sports & Wellness department will open Hal’s Power Alley – a set of three professional batting cages located by the baseball field.
- We will implement a new computer software system that will make it easier for our members to access their accounts and sign up for classes online.

I would also like to remind you that we have two important fundraising events coming up. Our Sixteen Candles Gala is Saturday, March 3 and our JCC • Monterra 5K Run/Walk is April 29. Each of these fundraisers helps support our scholarship fund and ensures that our agency will continue to be the center of our Jewish community. **Please ask me how you may donate to our fundraisers.**

Lastly, if you have not already signed your children up, register them now, so they don’t miss out on our award-winning summer camp. Your camper **will experience 40 acres of fun and a summer to remember.**

EARLY CHILDHOOD

We're # 1!

The JCC's Early Childhood Learning Center is the **number one rated VPK provider** in South Broward.

We once again scored in the top **1 PERCENT** in the VPK readiness rate for the State of Florida.

The Singer Childhood Learning Center has successfully completed Broward County's Quality Rating System Program, which is administered through the Broward County Children's Services Administration. Our school received a 4-star quality rating, which is the **highest rating possible** for a childcare program. The Singer Early Childhood Learning Center is **APPLE accredited** and received the **Gold Seal Award** for the highest quality in programs from the Department of Children and Family Services.

Our preschool offers a unique combination of emotional, social, physical and intellectual development. Children experience art, cooking, music, Judaica, dramatic play, science, gymnastics, karate, creative movement, library and computers and more.

We know that Judaic components are very important in a young Jewish child's development. We are proud to be one of few schools in Florida selected to participate in *An Ethical Start®* program. This program for pre-kindergarten students is a groundbreaking way of enriching the educational experience of our children by engaging them, along with parents and teachers, in learning Jewish values based on the classic text, *Pirkei Avot*, the Ethics of our Fathers. Our staff has been trained to study *Pirkei Avot* and to integrate the basic concepts into our daily curriculum.

You May Help the JCC in Many Ways

Lee Kadin, Fundraising Vice President

In order to fulfill our mission, the JCC relies upon charitable gifts from individuals like you to help us provide important programs and services to our membership and the communities we serve. There are many ways you may contribute.

Send a Tribute Card

Honor or remember a special person in your life, celebrate a special occasion or significant date, or appreciate a favorite teacher or counselor by making a tax deductible donation to the DPJCC. For a minimum donation of \$5, a tribute notecard will be sent. Or, for a minimum donation of \$18, a special 5x7 tribute card will be sent to the recipient. You designate the fund that interests you and supply us with the information we need. Your **financial assistance** may help send a child to camp or preschool, help an individual or family become members of the JCC or help a specific department in the JCC.

To make a contribution, call **954-434-0499, ext. 300** or email your name, address, telephone number, select a fund from those listed below, tell us whether it is in honor of or in memory of and provide the recipient's name and address to **frontdesk@dpjcc.org**. **Be sure to include your phone number in the email.**

Help Pave the Way for the Future

Purchase a **permanent Stepping Stone** in our garden, which is located in front of the entrance to our Bass Lobby (our main entrance), to remember, honor or celebrate a special person or occasion. Your personal inscription is engraved on a 4-inch by 8-inch brick. Simply give us your information and the inscription, limited to 3 lines with 14 characters per line including punctuation and spaces. The cost is \$100 per stone. For more information call **Linda Kirschenbaum** at **954-434-0499, ext. 336** or email **lkirschenbaum@dpjcc.org**.

These are just some of the ways you may contribute to the JCC and help us better serve the growing needs of our community for generations to come. For more information about how you may become a part of the JCC's legacy, contact **Scott Ehrlich** at **954-434-0499**.
