Welcome to the 6th Annual Vic Hershkowitz Foundation Doubles Handball Event. The David Posnack JCC is once again hosting this charity event for the benefit of special needs children and young adults in memory of Vic Hershkowitz. Your generous donations last year provided funding for children to attend camp at the DPJCC this past summer. The JCC special needs camp has over 125 children, and we greatly appreciate your continued contributions, which provide summer program sponsorships.

This year we will welcome Merv Deckert and Ben Thum into the Vic Hershkowitz Hall of Fame. Merv, from Winnipeg, Canada, is truly an international champion, owning six World, 11 Canadian and eight U.S. titles. Ben Thum is the first voice of handball. Twenty years ago, Ben created and announced the first multi-camera handball match for TV, played between John Bike and David Chapman. Ben is also the voice of the Vic Hershkowitz tribute video.

During the tournament, meet past and present Hall of Famers, national and world champions and old and new friends. There will be plenty of hospitality throughout the weekend, including a Saturday night buffet at Beef 'O' Brady's, with awards, guest speakers and door prizes.

By donating to the Vic Hershkowitz Foundation Fund your name will be permanently inscribed on the beautiful 2014 plaque and displayed on Vic's Wall of Fame at the JCC across from the handball courts. Many thanks for your continued support, and we look forward to seeing you at the 2014 three-day handball extravaganza!
