

The David Posnack JCC invites our members to become involved in one of our many committees. If you have a passion, we probably have a committee just for you. These committees help the staff plan and produce programs, classes and special events. You are our right and left hands, our eyes and ears, and support and inspiration. We could not offer the high quality programs and services that we do without the invaluable help of our committees. If you interested in joining one or more of the committees listed below, please contact Dianne Thorne, T: 954-434-0499, ext. 311 or email [dthorne@dpjcc.org](mailto:dthorne@dpjcc.org).
