

David Posnack JCC Sports & Wellness Center Babysitting Room Reminders

We are delighted to have so many parents using our free babysitting service. Please help us ensure the safety and health of your children by adhering to the following:

For Children Ages 3 months-5 years For Family & Parent Plus Memberships ONLY

To GUARANTEE a place for your child in our babysitting room, we recommend that you make a reservation for your child a minimum of 48 hours in advance. Reserve space at the Sports & Wellness desk or call 954-434-0499, ext. 100.

Because health & safety regulations mandate that we have no more than six children per babysitter in the room at any time, we ask that you please pick up your child within 1 hour of drop-off. Doing so allows other parents to take advantage of our free babysitting service.

1. Parents MUST remain on premises while child is in the babysitting room.
2. Label all items brought into the babysitting room. This includes your child's backpack, snack pack, bottle, sippy cup, etc.
3. Do not bring any food items containing nuts into the babysitting room. Many children are allergic to nuts/nut products.
4. The DPJCC is a kosher facility. Please check food labels and bring only kosher snacks for your child to eat.
5. Limit snacks to those that are not messy or crumbly. Sippy cups should be leak proof.
6. Do not leave a sick child in the babysitting room.
7. If your child is not toilet trained, please bring diapers, wipes and extra clothing.
8. If your child has any allergies, hearing or vision problems, etc., please let us know. This will ensure that our babysitters provide the best care for your child.
9. Do not allow your child to bring special toys into the babysitting room. Personal toys often cause problems between children wanting to share these toys. In addition, the toys may be difficult to find at the end of the play session.
10. Do not leave your gym bag in the babysitting room. It may contain harmful substances such as sunscreen, lotions, deodorant, perfume, medications, etc. Children are very adept at opening snaps and zippers and may ingest such substances very quickly. Lockers are free and available for the day; all that is required is your own lock.

Thank you for your cooperation in keeping your child happy and safe.
